5. All the Deputy Commissioners in Haryana.
6. Registrars of all the Universities in Haryana.

Dated Chandigarh the 12-07-2010

Subject:

Compatibility of different fonts having used for working in Hindi on computers in various Government Departments/organizations of the State.

Sir/Madam,

I am directed to address you on the subject cited above and to inform you that it has been observed that the use of proprietary Hindi Fonts of different standards in the State Government offices, which are not compatible with each other is causing serious problems in information exchange amongst these offices. In order to facilitate free exchange of information/files/documents, Department of Information Technology Haryana, has accepted Unicode encoding for Hindi Fonts as standard in this regard. By using Unicode compliant Fonts for Hindi, the problem relating to the exchange of Hindi documents/files is completely solved. Accordingly, the State Government has decided that Departments/Organizations procuring/purchasing any Hindi Software should ensure that the software is Unicode Complaint so that information/files/documents can be transferred freely on various computers having different Hindi Software.

These instructions should be brought to the notice of all concerned for strict compliance.
